WELCOME TO NEXT-LEVEL MOBILITY

The all-new HAVAL JOLION MAX HEV brings a new level of electrified performance, efficiency and intelligent technology to the Jolion line-up.

Combining a responsive 1.5-litre petrol engine with an electric motor and dedicated hybrid transmission (DHT), the Jolion Max HEV delivers smooth, responsive performance while helping to optimise fuel efficiency in everyday driving. The hybrid powertrain is engineered to seamlessly balance petrol and electric power for a refined and engaging driving experience.

With its bold, contemporary design, advanced technology and intelligent hybrid powertrain, the JOLION MAX HEV is designed for drivers who want more from every journey — more efficiency, more performance and more intelligent mobility.

THE ALL-NEW

HAVAL JOLION MAX

Performance enhanced

The JOLION MAX HEV combines a responsive 1.5-litre petrol engine with an electric motor and dedicated hybrid transmission (DHT), delivering a combined 140 kW of power and 375 Nm of torque. This intelligent hybrid system is engineered to balance strong performance with impressive efficiency, achieving a combined fuel consumption of 5.1 L/100 km under the specified test conditions.

The DHT is designed to manage the interaction between the petrol engine and electric motor smoothly, selecting the most appropriate power source according to driving conditions. Multiple driving modes, including Standard, Eco, Sport and Snowfield, allow the driving character to be tailored to different road and weather conditions.

The result is a refined hybrid SUV that delivers responsive acceleration, smooth power delivery and efficient everyday performance — giving you the freedom to enjoy more from every journey.

NEXT-LEVEL DESIGN

HAVAL JOLION MAX HEV - Interior Design

While retaining the premium interior appointments, advanced connectivity and comprehensive safety technologies expected from HAVAL, the all-new HAVAL JOLION MAX HEV adds a sophisticated electrified driving experience to the mix.
Its contemporary cabin combines refined finishes with intuitive technology and intelligent features designed to enhance comfort and convenience, while the distinctive exterior design gives the JOLION MAX HEV a confident and dynamic presence on the road.
Together, its premium comfort, advanced technology, intelligent hybrid powertrain and bold design create an SUV that is as progressive as it is practical.

HAVAL JOLION MAX HEV - Exterior Design

The HAVAL JOLION MAX HEV makes a confident first impression with its bold front-end design, distinctive grille and sleek LED lighting signature. Sculpted body lines and a dynamic lower front treatment add definition to its contemporary SUV profile, while the flowing design continues towards the rear for a cohesive, athletic appearance. From its striking front fascia to its carefully shaped exterior detailing, the JOLION MAX HEV combines modern sophistication with a distinctly dynamic character.

Superior visibility

Illuminate the journey ahead with the all-new HAVAL JOLION MAX HEV's LED headlights and distinctive daytime-running lights, delivering clear, confident visibility while adding a sophisticated and contemporary lighting signature to its bold exterior design.

EXPERIENCE THE FUTURE OF DRIVING WITH GROUNDBREAKING TECHNOLOGY, OFFERING UNMATCHED VISIBILITY AND TAKING YOUR JOURNEYS TO THE NEXT LEVEL

An air of sophistication

Elevating the cabin's refined ambience, the JOLION MAX HEV features a premium multifunction steering wheel, intuitive rotary gear selector and ergonomically contoured seating for enhanced comfort and convenience.

The digital driver's display and floating central touchscreen are complemented by carbon fibre-inspired panel accents.

Every turn a statement

The HAVAL JOLION MAX HEV delivers a confident, responsive driving experience with its refined suspension setup and independent multi-link rear suspension. Paired with stylish 18-inch alloy wheels, its composed handling and dynamic stance make every journey a statement.

NEXT-LEVEL PERFORMANCE

JOLION MAX ups the ante

A quieter, smoother and more efficient drive comes courtesy of advanced transmission technology, with the 1.5T petrol versions featuring a 7-speed dual-clutch transmission (7DCT) and the HEV pairing its petrol engine with a dedicated DHT hybrid transmission. Both are engineered to deliver responsive performance and seamless power delivery throughout your journey. The JOLION MAX 1.5T delivers up to 130 kW and 270 Nm, while achieving a combined fuel economy of 7.5 L/100 km. The JOLION MAX HEV takes efficiency further, producing a combined 140 kW and 375 Nm, with a combined fuel economy of 5.1 L/100 km—balancing responsive performance with efficient everyday driving.

A mode for every mood

Tailor your drive with four selectable driving modes: Standard for everyday journeys, Eco for improved fuel efficiency, Sport for a more engaging drive, and Snowfield to enhance traction and control on slippery surfaces.

“INTELLIGENT LIGHTWEIGHT CONSTRUCTION, SUPERBLY EFFICIENT TRANSMISSION SYSTEMS AND IMPRESSIVE FUEL ECONOMY TAKE YOUR DRIVE TO EXHILARATING HEIGHTS.”

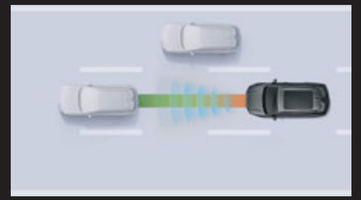
NEXT-LEVEL SAFETY TECH

Blind Spot Monitoring

Advanced driver-assistance technology helps detect vehicles in the JOLION MAX HEV's blind spots, alerting the driver to surrounding traffic when changing lanes. It enhances driver awareness and supports safer, more confident lane changes.

Reverse Radar Warning

The JOLION MAX HEV provides enhanced awareness around the vehicle with available camera and parking-assistance technology. Rear safety features help monitor the area behind the vehicle, supporting safer and more confident maneuvering when reversing.



Smart cruise & braking tech

Available driver-assistance technology helps maintain a set speed and supports safer following distances on the road. Braking assistance can also help detect potential hazards and provide alerts or braking support when required, adding confidence to every journey.

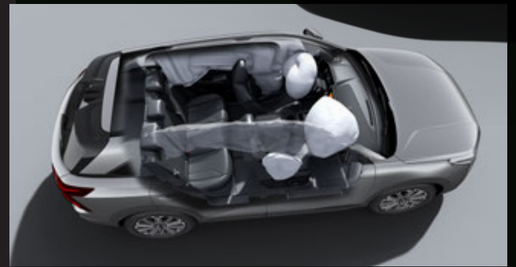
"OFFERING AN INTUITIVE, SAFE DRIVING EXPERIENCE BY INTEGRATING A 360-DEGREE CAMERA, ADAPTIVE CRUISE CONTROL AND LANE SUPPORT SYSTEMS."

Complete peace of mind

connectiveCARE
connected to, and caring for you

With GWM ConnectiveCARE, your ownership experience is supported by comprehensive after-sales care and dedicated customer service. From servicing to ongoing support, we are committed to delivering a high standard of care and helping you enjoy complete confidence throughout your GWM ownership journey.

Safer Cabin Space



NEXT-LEVEL TECHNOLOGY

3 Steering modes

Tailor your drive with 3 selectable steering modes — Light, Comfort and Sport — allowing you to adjust steering feel to suit different driving conditions, from easy maneuvering around town to a more responsive feel on the open road.

Style & functionality

The sleek rotary gear selector adds a modern touch to the cabin while providing intuitive gear selection. Paired with an electronic parking brake, it enhances convenience while contributing to the clean, sophisticated design of the JOLION MAX HEV's interior.

Seamless infotainment

Stay connected on every journey with the HAVAL JOLION MAX HEV's 12.3-inch infotainment touchscreen, featuring Apple CarPlay® and Android Auto™ for convenient access to compatible apps and content. A 6-speaker sound system completes the connected in-cabin experience.

Visionary convenience

Keep your devices powered on the go with the HAVAL JOLION MAX HEV's wireless charging pad, providing a convenient, cable-free way to charge compatible smartphones while you drive.

Pure intelligence in motion

Keep essential driving information within your line of sight with the HAVAL JOLION MAX HEV's Head-Up Display, which projects key information onto the windscreen, helping you stay informed while keeping your attention focused on the road.

NEXT-LEVEL LUXURY

Space to spare

The HAVAL JOLION MAX HEV makes excellent use of its spacious cabin, offering generous headroom and legroom for a comfortable experience for both front and rear passengers. The HEV provides 255 L of luggage capacity, expanding to 916 L with the rear seats folded.

Make yourself comfortable

Settle into a cabin designed around your comfort, with 6-way power adjustment for the driver’s seat and 4-way adjustment for the front passenger, helping you find your ideal seating position for every journey.

Let the sunshine in

Bring the outdoors into the cabin with the JOLION MAX HEV’s panoramic sunroof, creating an open, airy atmosphere while adding to the premium feel of the interior.
