# Say hello to GWM.

\*overseas model shown

**GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, pick up and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’**

**From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. We are proud to make vehicles that combine the best components, technology and safety features from around the world. With over 2.5 million pick up’s sold globally (and counting), we are a proud maker of durable utilitarian vehicles for over 25 years. We attribute our success to passion, drive and a commitment to listening to our customers.**

# Available in Diesel, Hybrid and Hybrid Plug-in.

Models vary per Island

Pick up's aren't what they used to be. Introducing a new breed unlike anything you've seen, sat in or driven before. With its powerful 2.4L turbo Diesel, hybrid or Plug-in Hybrid engine variant, the all-new Sahar provides more on road performance and greater off road possibilities than you ever imagined. Put your foot down and feel the smile spread across your face as you instantly sense the huge hefty kick into overdrive. Now you can tow, haul, drag, pull, push or lug almost anything with ease.

# Larger, smarter, and gutsier than ever.

With incredible on road performance and unbelievable off road possibilities, the Sahara is the most powerful pick up's we have ever built.

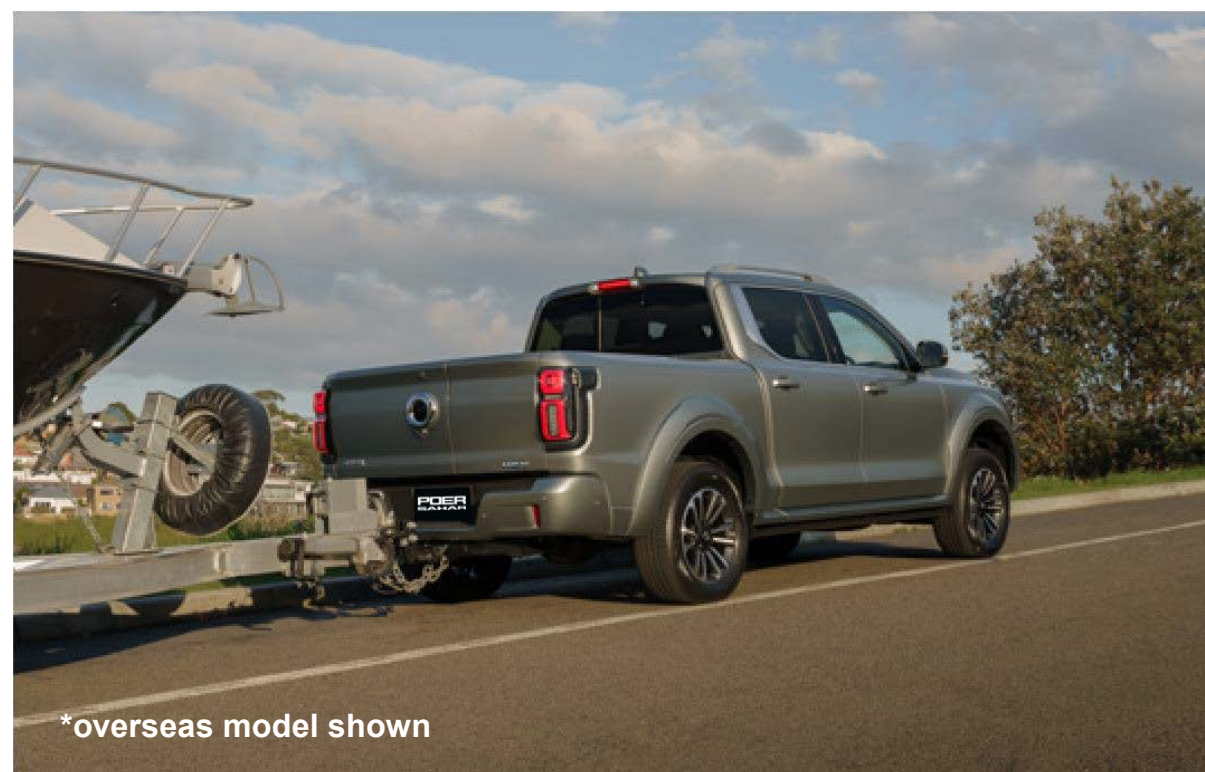

Grand doesn't do the Sahar justice. This vehicle is about as lavish and well-appointed as a pick up can get with a host of opulent interior specifications combined with a collection of striking exterior design features. These include an overhauled centre console with two new larger tablet-style screens surrounded by attractive woodgrain style trim. The new three spoke faux leather accented steering wheel and soft, supple front and rear seats are our most comfortable yet. Squarer LED headlights create a sense of exterior style and sophistication. And the 60/40 split-swinging tailgate adds a touch of design class providing easier access to the tray.

**Our most stylish and  
luxurious pick up ever.**

# A new breed of performance

\*overseas model shown

Packing a powerful 2.0L Turbo Hybrid and Plug-in Hybrid engine capable of producing 255kW of power with 648 Nm of torque or a 2.4L Turbo Diesel engine generating 135kW and 480Nm of torque, it's no surprise the Sahar is the 'top-dog' Amongst the fleet. Complete with a 9 speed automatic transmission, a 3.5 tonne towing capacity and on demand 4WD system with 3 driving modes, it makes carrying a light load or towing a large boat or caravan a breeze.

The advanced 4x4 system is engineered by respected global supplier Borg Warner and provides the driver with superior technology including a rear differential lock and 4WD low range to tackle tough environments for when things get a bit loose off-road.

**Packing a powerful  
2.0L Turbo Hybrid  
and Plug-in Hybrid  
engine or a 2.4L  
Turbo diesel engine**

# Smart tech never looked smarter

\*overseas model shown

State of the art is now a work of art thanks to the new styled 12.3 or 14.6 inch touchscreen panel letting you control all your infotainment from one screen and view all your vehicles gauges, alerts, digital instruments, and safety systems from the other. You can even see a 360° view of the vehicle while driving. Plus, a wireless charging dock, keyless entry and push button start creates a smarter, more effortless overall driving experience.

# Built to the safest standards.

With over 100 of the very latest active and passive safety features built into every pick up, the Sahar is proving to be one of the safest in its class. These features include Automatic Emergency Braking, Lane Keep Assist, a Driver Fatigue Monitoring System and Traffic Sign Recognition.

# Protection from all angles.

Smart tech, active and passive safety features and front and side monitoring mean worry-free driving.

# GWM Care

Every GWM comes with GWM Care. It begins from the moment you take delivery of your vehicle and continues long into the future. Wherever the road leads, you can rest assured knowing that your GWM will be kept at its best for many years to come.

**6 Years / 150,000 KM**  
Warranty
