Say hello to GWM.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: 'improving little by little every day.'

From building world-class research and development systems, which enable continuous innovation, to following the 'excessive investment' principle, which drives industry leadership, we relentlessly put our philosophy into practice. With nearly 8 million sales to date, in more than 170 countries (and counting), we are the No. 1 SUV brand in the world's largest market and have been for the past 9 years. Our brand vision is to pioneer global mobility solutions, which use innovative technology to deliver a more pleasurable driving experience. Through innovation and global collaboration, we continue to improve our vehicles' reliability, safety, performance, design and technology.

Haval H6. Delivers more oooh.

When it comes to the Haval H6, performance, design and safety are paramount. It's a mid-size SUV that makes a bold statement wherever you go.

Designed, just for you.

From the impressive front to the stylish back, every inch of the H6 has been meticulously considered. Whether you're ducking out to the shops, or roaming far on a road-trip, your most versatile accessory will always be with you.

Signature front grille

Electric kick sensing tailgate

19" Alloy wheels

14.6" Infotainment screen

Column shifter

Performance when you need it.

Available with a full hybrid powertrain, the H6 offers a seamless transition between electric and combustion with its highly sophisticated Dedicated Hybrid Transmission (DHT). Providing seamless gear changes and increases efficiency to provide a real world benefit to the driver.

**The H6 powertrain
packs a punch,
delivering performance
when and where
you need it.**

Sophistication for every journey.

*8-way electric adjustable driver seat**

*9 speaker audio system**

560L boot capacity (1485L max)

Wireless Apple CarPlay & Android Auto

The H6 is a technologically advanced SUV designed for those who want more in life. Features such as auto parking assist, a 14.6" multimedia touchscreen and a heated faux leather steering wheel give this SUV its distinct edge.

Highly intelligent mobility.

ANCAP Safety test

This bold and stylish SUV is also unbelievably safe. The Haval H6 comes with a comprehensive suite of safety systems designed to protect you and others on the road. Advanced safety features including Intelligent Adaptive Cruise Control, Lane Keep Assist, Traffic Sign Recognition, Traffic Jam Assist, and Auto Parking Assist* all combine to give you peace of mind knowing that GWM is looking out for you and everyone else around you every time you drive.

*Ultra variant only

Protection from every angle.

The smart active and passive safety technologies found inside the H6 including Auto Emergency Braking, Rear Cross Traffic Assist, Lane Departure Warning, Blind Spot Detection and a 360-view camera, will let you know who or what's in front, behind and either side of you every time you take the vehicle out for a drive.

GWM vehicles are available in a range of stunning contemporary colours.
