# Say hello to GWM.

**GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’ From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. We are proud to make vehicles that combine the best components, technology and safety features from around the world. With over 2.5 million ute and pick up’s sold globally (and counting), we are a proud maker of durable utilitarian vehicles for over 25 years. We attribute our success to passion, drive and a commitment to listening to our customers.**

# Tough never looked so good.

With more style inside, and more power out, we've chunked more in the new **GWM P-SERIES**.

Don't be fooled by its rugged exterior, the **GWM P-SERIES** is a smooth and sophisticated driving experience. Locally-tuned, independent front suspension, paired with heavy duty rear leaf suspension creates outstanding load-carrying in any terrain.

Discover the thrill of driving in the refined, European designed cabin, with plenty of legroom and all the features you need. Enjoy the comfort of adjustable seats, the practicality of a reversing camera and the clarity of a large 12.3 inch colour instrument cluster.

# Rugged on the outside. Luxurious inside.

# We've chucked in more power.

Powered by a new 2.4 litre turbo diesel engine delivering 135kW and 480Nm, the **GWM P-SERIES** is a capable partner for just about anything.

When paired with the GWM self-developed 9-speed automatic transmission, the driving experience is nothing short of impressive whether carrying a light load or towing the boat or caravan.

The advanced 4x4 system engineered by respected global supplier Borg Warner provides the driver with superior technology including a rear differential lock and 4WD low range to tackle tough off-road environments with ease.
