# Say hello to GWM.

**GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, utes and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’**

**From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. With nearly 8 million sales to date, in more than 170 countries (and counting), we are the No. 1 SUV brand in the world’s largest market and have been for the past 9 years. Our brand vision is to pioneer global mobility solutions, which use innovative technology to deliver a more pleasurable driving experience. Through innovation and global collaboration, we continue to improve our vehicles’ reliability, safety, performance, design and technology.**

# Go Beyond with the HAVAL JOLION CITY.

The Haval Jolion City combines advanced technology with quality features to redefine the modern SUV. What you get is a rare combination of performance, sophistication and safety.

It could be the sleek interior. The advanced safety features. Or the ergonomic seats. Whichever one it is, you'll fall in love with one – or all – of the design features of this standout SUV.

*Signature Infotainment screen*

*Stylish LED*

*17" alloy wheels\**

**Impressive,  
whichever way  
you look at it.**

# Get what you demand.

**The HAVAL JOLION CITY is powered by a petrol engine. It features a 1.5-litre, four-cylinder, turbocharged gasoline engine paired with a Dual Clutch Transmission (DCT), delivering smooth and efficient performance. This setup produces an impressive power output of 148hp, ensuring a responsive and dynamic driving.**

## Transmission.

The second generation 7-speed Dual Clutch Transmission improves throttle response timing and increases efficiency to provide crisp gear shifts and a more direct drive feel.

## Engine.

The 1.5L engine adopts turbocharged technology, boosting output to 148hp and 220Nm of torque.

## Platform.

A lighter platform lowers vehicle fuel consumption and in combination with multi-wheel chassis tuning, driving comfort has never been better.

# A high-tech SUV, designed for you.

This smart SUV is designed by innovative thinkers and brought to life by high-performing technology. Packed with convenient features like a large format multimedia touchscreen, Apple CarPlay®, Android Auto™ and wireless charging\* – you can understand why this is a smarter way to drive.

# Smart safety.

ANCAP Safety test

ANCAP Safety test

The Haval Jolion City is built with features designed to keep you safe, no matter how long your journey is. With safety technologies like Intelligent Adaptive Cruise Control, Lane Keep Assist, Traffic Sign Recognition and Traffic Jam Assist you can rest assured knowing that GWM is looking out for you and everyone else around you every time you drive.

High Strength Steel Body

# Protection from all angles.

The smart active and passive safety technologies found inside the Haval Jolion including Auto Emergency Braking, Rear Cross Traffic Assist, Lane Departure Warning and Blind Spot Detection will help you know who or what's in front, behind and either side of you every time you take the vehicle out for a drive.
