Say hello to GWM.

GWM is a world-renowned vehicle manufacturer capable of designing and producing SUVs, and powertrains simultaneously. At GWM, everything we do is grounded in our corporate philosophy: ‘improving little by little every day.’

From building world-class research and development systems, which enable continuous innovation, to following the ‘excessive investment’ principle, which drives industry leadership, we relentlessly put our philosophy into practice. With nearly 8 million sales to date, in more than 170 countries (and counting), we are the No. 1 SUV brand in the world’s largest market and have been for the past 9 years. Our brand vision is to pioneer global mobility solutions, which use innovative technology to deliver a more pleasurable driving experience. Through innovation and global collaboration, we continue to improve our vehicles’ reliability, safety, performance, design and technology.

Haval H6 PHEV. Delivers more oOOoh.

When it comes to the Haval H6 PHEV performance, design and safety are paramount. It's a mid-size SUV that makes a bold statement wherever you go.

Designed, just for you.

From the impressive front to the stylish back, every inch of the H6 PHEV has been meticulously considered. Whether you're ducking out to the shops, or roaming far on a road-trip, your most versatile accessory will always be with you.

Signature front grille

Single-Pedal Driving + Adjustable Energy Recovery

The all-new GWM Haval H6 PHEV is designed for the active urban explorer, empowering them to work smarter, strive harder, and pursue their goals. Crafted with premium design, intelligent safety features, and exceptional comfort, the Haval H6 PHEV maximizes opportunities, enabling success on any chosen path.

Sophistication for every journey.

The H6 PHEV is a technologically advanced SUV designed for those who want more in life. Features such as auto parking assist, a 14.6" multimedia touchscreen and a heated faux leather steering wheel give this SUV its distinct edge.

8-way electric adjustable driver seat*

9 speaker audio system*

560L boot capacity (1485L max)

Wireless Apple CarPlay & Android Auto

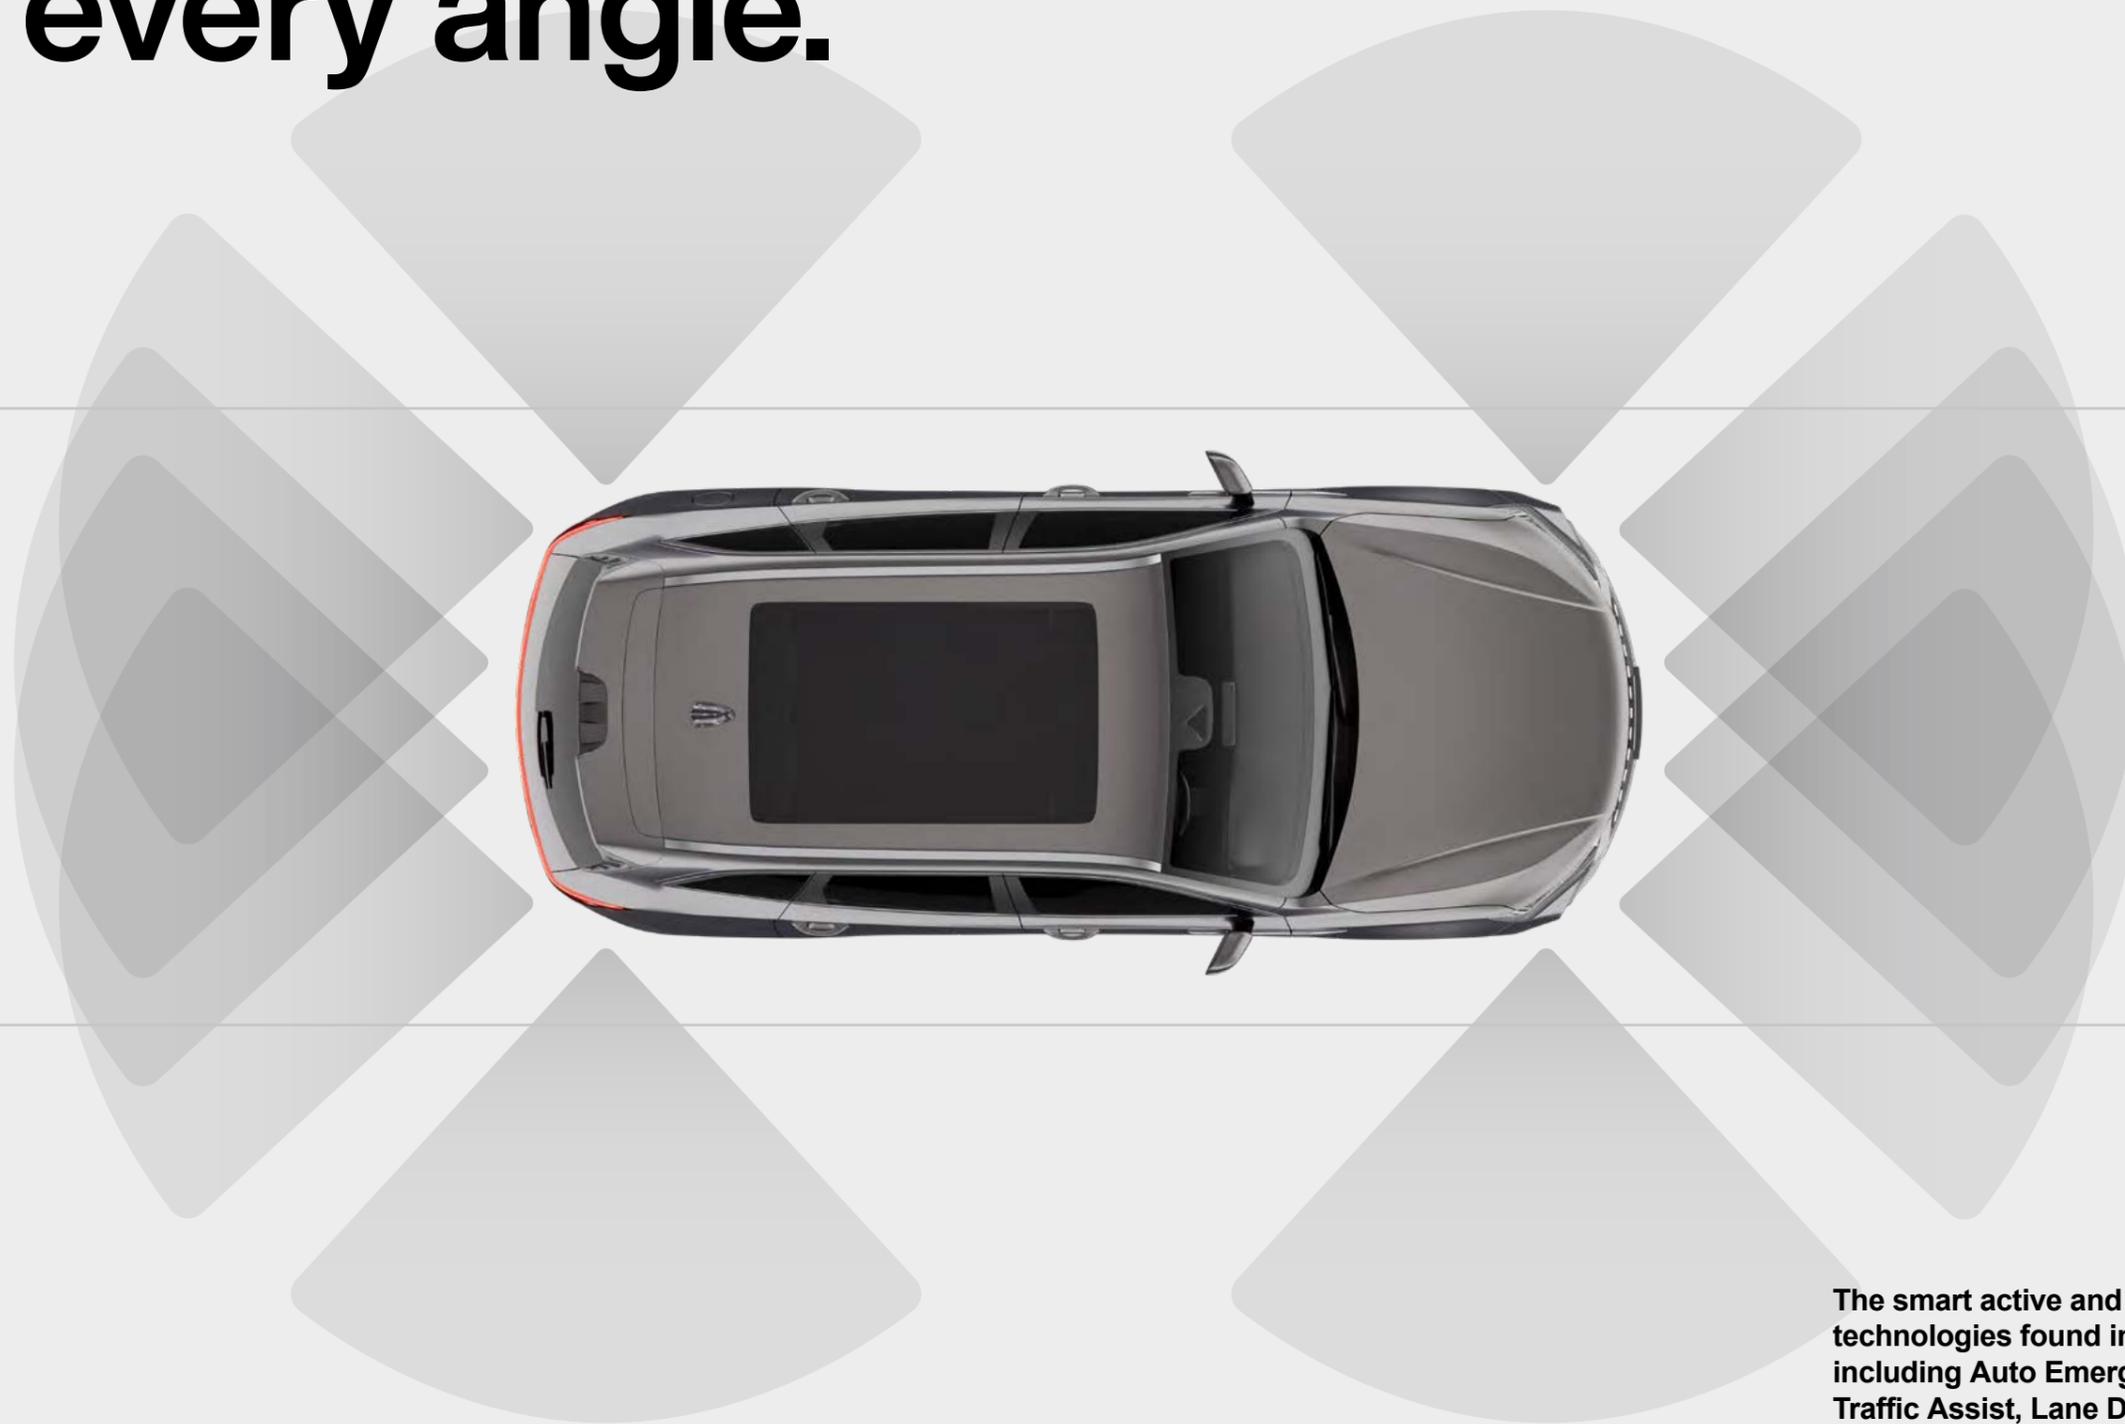

Highly intelligent mobility.

ANCAP Safety test

This bold and stylish SUV is also unbelievably safe. The Haval H6 PHEV comes with a comprehensive suite of safety systems designed to protect you and others on the road. Advanced safety features including Intelligent Adaptive Cruise Control, Lane Keep Assist, Traffic Sign Recognition, Traffic Jam Assist, and Auto Parking Assist* all combine to give you peace of mind knowing that GWM is looking out for you and everyone else around you every time you drive.

Protection from every angle.

The smart active and passive safety technologies found inside the H6 PHEV including Auto Emergency Braking, Rear Cross Traffic Assist, Lane Departure Warning, Blind Spot Detection and a 360-view camera, will let you know who or what's in front, behind and either side of you every time you take the vehicle out for a drive.

GWM vehicles are available in a range of stunning contemporary colours.
