NEXT-LEVEL IS HERE!
THE ALL-NEW HAVAL
JOLION MAX
EV

WELCOME TO NEXT-LEVEL MOBILITY

The all-new HAVAL JOLION MAX EV brings a new dimension of intelligent, electric mobility to the Jolion line-up.

Combining the bold, contemporary design of the JOLION MAX with the benefits of fully electric driving, it delivers a refined and connected driving experience designed for modern urban lifestyles. With advanced technology, sophisticated comfort and zero tailpipe emissions, the JOLION MAX EV is designed to take everyday mobility into the next generation.

THE ALL-NEW

HAVAL JOLION MAX EV

Electric performance, designed for real life.

Experience the next generation of urban SUV driving with the all-new HAVAL JOLION MAX EV. Its 150 kW electric motor delivers 260 Nm of peak torque for smooth, immediate electric performance, while the 58.3 kWh battery provides a claimed 400+ km WLTC driving range — giving you the confidence to take on everyday commutes and longer journeys with ease.

NEXT-LEVEL PERFORMANCE

Smooth electric performance

A quieter, smoother and more responsive drive comes courtesy of the all-electric powertrain, delivering instant torque and seamless acceleration throughout your journey.

JOLION MAX EV ups the ante

The all-new HAVAL JOLION MAX EV combines a 150 kW electric motor with a 58.3 kWh battery, delivering 260 Nm of peak torque and a claimed 400+ km WLTC driving range. With instant electric performance and zero tailpipe emissions, the JOLION MAX EV brings responsive, efficient and effortless driving to every journey.

Driving Range: 400+ km WLTP on a full charge.

INTELLIGENT LIGHTWEIGHT CONSTRUCTION, ADVANCED ELECTRIC POWERTRAIN TECHNOLOGY AND IMPRESSIVE DRIVING RANGE TAKE YOUR DRIVE TO EXHILARATING HEIGHTS.

NEXT-LEVEL SAFETY TECH

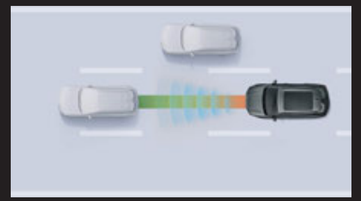

Lane keeping technology

Advanced driver-assistance technology helps keep the JOLION MAX EV centered in its lane, with features designed to detect unintended lane departure and provide corrective steering assistance when required. It also supports greater driver awareness on the road.

360° visibility & rear safety

The JOLION MAX E V provides enhanced awareness around the vehicle with available camera and parking-assistance technology. Rear safety features help monitor the area behind the vehicle, supporting safer and more confident maneuvering when reversing.

Smart cruise & braking tech

Available driver-assistance technology helps maintain a set speed and supports safer following distances on the road. Braking assistance can also help detect potential hazards and provide alerts or braking support when required, adding confidence to every journey.

“OFFERING AN INTUITIVE, SAFE DRIVING EXPERIENCE BY INTEGRATING A 360-DEGREE CAMERA, ADAPTIVE CRUISE CONTROL AND LANE SUPPORT SYSTEMS.”

Complete peace of mind

connectiveCARE

Safer Cabin Space

NEXT-LEVEL TECHNOLOGY

3 Steering modes

The all-new HAVAL JOLION MAX EV’s dynamic steering offers a choice of 3 selectable modes to suit your driving preference, providing a tailored balance between effortless maneuvering and confident handling.

Style & functionality

The chic rotary gear selector adds a touch of modern sophistication to the cabin, while the electronic parking brake provides added convenience for a refined and effortless electric driving experience.

Seamless infotainment

Elevate connectivity on every journey in the all-new HAVAL JOLION MAX EV, featuring a state-of-the-art 12.3-inch infotainment touchscreen with Apple CarPlay® and Android Auto™, complemented by a premium 6-speaker sound system.

Visionary convenience

Keep your smartphone powered effortlessly with the cutting-edge wireless charging pad, providing convenient, cable-free charging while you stay connected on every journey.

Pure intelligence in motion

The innovative Head-Up Display keeps essential driving information clearly projected onto the windscreen, helping you stay informed while keeping your attention focused on the road.

NEXT-LEVEL LUXURY

Space to spare

An impressively long wheelbase gives the all-new HAVAL JOLION MAX EV a spacious and versatile cabin, providing generous headroom, legroom and storage space for enhanced comfort on every journey.

Make yourself comfortable

Settle into the refined cabin of the all-new HAVAL JOLION MAX EV, with power-adjustable front seats designed to help you find your ideal comfort position while enhancing the premium driving experience.

Let the sunshine in

Allow natural light to fill the cabin of the all-new HAVAL JOLION MAX EV through its expansive panoramic sunroof, creating an open, airy atmosphere for every journey.
