NEXT-LEVEL IS HERE!

THE ALL-NEW HAVAL

JOLION MAX

PHEV

WELCOME TO NEXT-LEVEL MOBILITY

The all-new HAVAL JOLION MAX PHEV takes the Jolion line-up into a new era of electrified mobility, combining bold SUV design with the versatility of plug-in hybrid technology.

Its petrol-electric powertrain is engineered to deliver responsive performance while allowing electric-powered driving for everyday journeys, giving you the flexibility to enjoy efficient urban mobility without compromising the freedom of longer-distance travel.

With its sophisticated design, advanced technology and intelligent plug-in hybrid powertrain, the JOLION MAX PHEV brings together performance, efficiency and everyday versatility in one compelling SUV.

THE ALL-NEW HAVAL JOLION MAX PHEV

Electrified performance, designed for real life. Experience a new generation of plug-in hybrid SUV driving with the all-new HAVAL JOLION MAX PHEV. Its 1.5-litre turbocharged petrol engine works with an electric motor and dedicated hybrid transmission (DHT) to deliver responsive, seamless performance, while its approximately 19 kWh battery provides up to 100km of claimed WLTP electric-only driving range. With the flexibility of electric driving for everyday journeys and petrol power for longer trips, the JOLION MAX PHEV brings performance, efficiency and versatility together in one sophisticated SUV.

NEXT-LEVEL DESIGN

HAVAL JOLION MAX PHEV - Interior Design

While combining premium HAVAL interior finishes, advanced connectivity and comprehensive safety technologies, the all-new HAVAL JOLION MAX PHEV adds a sophisticated plug-in hybrid driving experience, complemented by a bold and contemporary design that gives this electrified SUV a distinctive presence.

HAVAL JOLION MAX PHEV - Exterior Design

A bold, contemporary grille design, distinctive LED headlights and daytime running lights give the JOLION MAX PHEV a confident, modern presence, while sculpted lines and angular detailing define the lower front treatment. At the rear, a distinctive spoiler adds a dynamic finishing touch to its athletic SUV profile.

Grey Black White

Superior visibility

Illuminate the journey ahead with the all-new HAVAL JOLION MAX PHEV's LED headlights and distinctive daytime-running lights, delivering clear, confident visibility while adding a sophisticated and contemporary lighting signature to its bold exterior design.

EXPERIENCE THE FUTURE OF DRIVING WITH GROUNDBREAKING TECHNOLOGY, OFFERING UNMATCHED VISIBILITY AND TAKING YOUR JOURNEYS TO THE NEXT LEVEL

An air of sophistication

Elevating the cabin's refined ambience, the JOLION MAX PHEV features a multifunction steering wheel, intuitive rotary gear selector and ergonomically contoured seating, combining comfort and convenience with a sophisticated interior experience.

The digital driver's display and floating central touchscreen are complemented by carbon fibre-inspired panel accents.

Eye-catching

A distinctive LED lightbar spans the rear, complemented by a sculpted bumper with bold, flared detailing that enhances the JOLION MAX PHEV's dynamic and contemporary appearance.

Every turn a statement

The all-new HAVAL JOLION MAX PHEV delivers a confident, responsive driving experience with its refined suspension setup and independent multi-link rear suspension. Paired with stylish 18-inch alloy wheels, its composed handling and dynamic stance make every turn a statement.

NEXT-LEVEL PERFORMANCE

Power and Efficiency

A quieter, smoother and more efficient drive comes courtesy of the JOLION MAX PHEV's advanced plug-in hybrid powertrain, combining petrol and electric power through an intelligent hybrid transmission for seamless performance throughout your journey.

JOLION MAX PHEV ups the ante

The all-new HAVAL JOLION MAX PHEV combines the flexibility of a turbocharged petrol engine with the instant response of electric power, delivering a refined balance of performance and efficiency. Its plug-in hybrid system allows electric-powered driving for everyday journeys, while the petrol engine provides the added flexibility needed for longer-distance travel.

Electric Driving Range: Up to 100 km (WLTP) on a full charge.

"INTELLIGENT LIGHTWEIGHT CONSTRUCTION, SUPERBLY EFFICIENT TRANSMISSION SYSTEMS AND IMPRESSIVE FUEL ECONOMY TAKE YOUR DRIVE TO EXHILARATING HEIGHTS."

NEXT-LEVEL SAFETY TECH

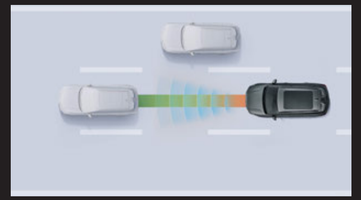

Lane keeping technology

Advanced driver-assistance technology helps keep the JOLION MAX PHEV centered in its lane, with features designed to detect unintended lane departure and provide corrective steering assistance when required. It also supports greater driver awareness on the road.

360° visibility & rear safety

The JOLION MAX PHEV provides enhanced awareness around the vehicle with available camera and parking-assistance technology. Rear safety features help monitor the area behind the vehicle, supporting safer and more confident maneuvering when reversing.

Smart cruise & braking tech

Available driver-assistance technology helps maintain a set speed and supports safer following distances on the road. Braking assistance can also help detect potential hazards and provide alerts or braking support when required, adding confidence to every journey.

"OFFERING AN INTUITIVE, SAFE DRIVING EXPERIENCE BY INTEGRATING A 360-DEGREE CAMERA, ADAPTIVE CRUISE CONTROL AND LANE SUPPORT SYSTEMS."

connectiveCARE
connected to, and caring for you

Complete peace of mind

With GWM ConnectiveCARE, your ownership experience is supported by comprehensive after-sales care and dedicated customer service. From servicing to ongoing support, we are committed to delivering a high standard of care and helping you enjoy complete confidence throughout your GWM ownership journey.

Safer Cabin Space

NEXT-LEVEL TECHNOLOGY

Responsive Steering Control

The all-new HAVAL JOLION PRO PHEV features electric power steering engineered to provide a composed and responsive driving experience. Its steering assistance can be adapted to suit different driving conditions and driver preferences, helping deliver light, comfortable control during everyday driving while providing a more assured feel when greater precision is required.

Style Meets Functionality

The JOLION PRO PHEV's sophisticated cabin combines modern design with intuitive functionality. A rotary gear selector creates a clean, uncluttered centre console while providing convenient gear selection. The electronic parking brake further enhances everyday convenience, helping to simplify operation while contributing to the SUV's contemporary, refined interior design.

Seamless infotainment

Stay connected on every journey with the HAVAL JOLION MAX PHEV's 12.3-inch infotainment touchscreen, featuring Apple CarPlay® and Android Auto™ for convenient access to compatible apps and content. A 6-speaker sound system completes the connected in-cabin experience.

Visionary convenience

Keep your devices powered on the go with the HAVAL JOLION MAX PHEV's wireless charging pad, providing a convenient, cable-free way to charge compatible smartphones while you drive.

Pure intelligence in motion

Keep essential driving information within your line of sight with the HAVAL JOLION MAX PHEV's Head-Up Display, which projects key information onto the windscreen, helping you stay informed while keeping your attention focused on the road.

NEXT-LEVEL LUXURY

Space Designed Around You

The all-new HAVAL JOLION PRO PHEV combines its sophisticated SUV design with a thoughtfully designed interior that provides comfortable space for passengers and practical room for everyday essentials. Its spacious cabin offers generous headroom and legroom, while the flexible rear seating configuration allows you to adapt the available cargo area to suit passengers, shopping, luggage and larger items.

Make Yourself Comfortable

Settle into a cabin designed for everyday comfort. The JOLION PRO PHEV features ergonomically designed front seats that provide supportive seating for both driver and passenger, helping create a relaxed and comfortable environment whether you're navigating the city or heading out on a longer journey.

Let the Sunshine In

The JOLION PRO PHEV brings a sense of openness to the cabin with its expansive panoramic sunroof, allowing natural light to fill the interior and giving passengers a greater feeling of space. It adds another layer of refinement to an already modern and sophisticated cabin.
